Re: ***Ex Parte Notice - WT Docket No. 03-103***

Dear Ms. Dortch:

In response to a telephone inquiry, yesterday, from Sam Feder concerning the position of Verizon Airfone with respect to a band plan for air ground service, I noted that for technical and interference reduction reasons as set forth in its ex parte presentations (*see e.g.* Letter of December 8, 2004, from Donald C. Brittingham), Verizon Airfone proposed that the Commission include the competitive bidding option of a 4 MHz license.

Because this information was provided in response to a staff inquiry during the Sunshine Period, this presentation was permissible in accordance with Sections 1.1203(a)(1), 1.204(a)(10), and 1.206(b)(2) of the Commission's Rules.

Please contact me with any questions concerning this matter.

Respectfully,

*/s/ R. Michael Senkowski*
